

## PoE Project mark sheet

		0	1	2	3	4	5
<b><u>Title</u></b>	Informative but concise						
<b><u>Introduction</u></b>	Statement of objectives						
	Background information necessary to set the scene						
<b><u>Methods</u></b>	Site description						
	Materials used (where this is critical to the method)						
	Methods described adequately						
<b><u>Results</u></b>	Statement summarising the main features of the data						
	Use of tables, graphs and figures						
	Self-explanatory legend to tables, graphs and figures						
	Assessment of errors						
	Statistical validation of results						
<b><u>Discussion</u></b>	Interpretation of the results						
	Clear statement of conclusions						
	Comparison of results with expectations/published theories						
	Discussion of practical consequences of conclusions						
	Criticism of experimental design						
	Suggestions for further study						
<b><u>References</u></b>	Adequate use of literature						
	Correct citation in text						
	Correct listing at end of report						
<b><u>Overall presentation</u></b>	Concise style of writing						
	Neatness						
	Avoidance of trivial detail						
<b><u>Final mark</u></b>	(NB. This is <b>not</b> a simple mean of the above marks)
